Our professional functions team can also tailor a package to suit your individual needs from personalising your menu to providing additional service staff to really impress your guests. Once you've had the opportunity to compare how we can cater for your function, please complete your attached enquiry form and contact us on (02) 9667 4321 to check availability, at which time we can arrange a meeting to discuss your special occasion.

Voted a 'neighbourhood gem' on dimmi for parties and groups — with exceptional ratings for both food and value for money — it's not surprising that our function facilities are in high demand. We can hold a tentative booking for only 7 days. This booking will be automatically cancelled in our system if a deposit is not received to confirm your booking and secure the date, time and location of your function.

(Please note that while we love birthdays, we are unable to host 18th birthday parties due to licensing restrictions.)

CLOSING TIMES

Bar service will cease at midnight. Music must cease at 11.30pm. Guest will be asked to leave the venue in a quiet orderly manner from 12 midnight and be off the premises by 1.00am.

CONFIRMATION OF GUEST NUMBERS

We appreciate it can be hard to give an accurate number when booking and attendees do often cancel for various reasons, so please keep us updated and we can modify your booking up to 24hrs in advance.

After that time, we will proceed with catering for what will be determined as your final number and you will be charged accordingly.

Changing of numbers on the day cannot be accepted.

Please note if your numbers drop below the minimum spend for exclusive use of the room you will be required to pay that amount.

PAYMENT

A deposit of **\$1000** is required to confirm your booking of the Garden Terrace and Restaurant. A deposit of **\$500** is required for booking the West Deck and Boardroom Functions.

CHILDREN ETIQUETTE DURING FUNCTIONS

The idea is to have fun and, to ensure that everyone does, we have a number of guidelines regarding children in the club. We love kids and children are welcome to attend your event . . . but it's important to remember that we are not a licensed childcare facility or a playground so we cannot take responsibility for their supervision or keep them entertained. (For these reasons, the club is unable to take bookings for birthday parties under the age of twenty-one.)

As a small venue with limited space and age-restricted facilities, it is important that each child remains in the immediate company of a supervising carer over eighteen years of age. Not just in your sight but by your side at all times and in all areas of the club—including the toilet facilities. We know you love your kid's boundless energy but not everyone may feel the same. Supervising carers must also be responsible for setting boundaries for their child's behaviour in consideration of the comfort, enjoyment and welfare of all club patrons.

In the interests of safety, kids are not permitted to run on club premises or climb on club furniture. If your child is getting bored and irritated being in the club, then, chances are, they are having the same effect on someone else! It's also important to note that in accordance with the Registered Clubs Act 1976, it is an offence for children to enter the Bar, TAB or Gaming areas.

Unfortunately, if a child is unsupervised or behaving in a manner which is potentially unsafe, disruptive to others or damaging to club property, the club may have to ask the carer and child to leave the premises. That's not a great way to finish a party so we appreciate you complying with our guidelines to ensure everybody's enjoyment of our facilities.
